Discover Me: Gaia's Call

We are the Difference

- Ages 9-13
- Date: 15 – 19/7/2019

Introduction

The ancestral mother of all life. Ancient Greek believed there was a deity who created everything that breathes and moves on Earth. Through history it has been called by different names, but the most famous has been Gaia, and it is she who is in need of us now. Nowadays, we live in a world where we can enjoy of many of technological advances, making it a great time to enjoy life. However, many of these advances have created situations that require our intelligence to discover, be aware, and begin to create solutions for them.

This Summer, the Twelve Titans and the Olympian Gods are searching for the brightest and most clever youth to band together and identify problems seen around the world and create a more sustainable future for all. At Discover Me: Gaia's Call, campers will identify current problems facing the globe, as well as how and why it should be addressed, using critical thinking, teamwork, and problem-solving skills, while they engage in fun activities designed to help them discover their natural talents and skills.

Gaia needs your help. Let's Discover how you will do it!

Objectives

Our talented Camp Director and the dedicated camp counselors will be there to help students to:

1. Ignite their curiosity and desire for change through project-based learning
2. Gain a better understanding of global issues and their part in the future
3. Develop empathy and compassion for all living things being negatively impacted in the world

VIETNAM
AUSTRALIA
INTERNATIONAL
SCHOOL

4. Understand the basics of a good business model
5. Discover their ability to think outside of the box
6. Delve into their imaginations and creative solutions
7. Learn about entrepreneurship through entertaining activities.
8. Overcome their fears by facing challenges.
9. Develop leadership skills through different activities.
10. Understand their valuable asset as individuals and the contribution for a bigger objective as members of a team.

Knowledge and Skills

At Discover Me Gaia's Call, we will help students work on the following skills and knowledge:

1. Creativity and Imagination
2. Effective Communication
3. Global Awareness
4. Understanding of Abstract Ideas
5. Time Management
6. Teamwork
7. Leadership
8. Overcoming Fears and Obstacles
9. Critical Thinking and Problem Solving

Following our tradition and commitment to education, all the activities and the whole experience will also help the campers to enhance their leadership, teamwork, and competitiveness, as well as enforce a strategic thinking and communication, surrounded by a friendly atmosphere where they can express for themselves.

Learning Activities

Each camper will have the opportunity to learn about understanding world issues, developing ideas into action, theatrics, creation of crafts, and the importance of self-discovery. These subjects will be taught through various engaging activities which take into account all types of learning styles and camper interests and abilities.

This program includes 4 days of different topics and activities. All teams are encouraged to participate to ensure they do not miss any opportunity within the adventure. The following is the schedule of a 4 days camp:
